LINEA OTTO

Collezione di arredo modulare che "rivisita" l'armadio.

Armadi di diverse misure, realizzati in nobilitato lucido verniciato antigraffio, attrezzati con cremagliera per un sistema di accessori da collocare, che li rende estremamente versatili.

Eventualmente con pannelli da fissaggio a parete con lo stesso design, offrono varie possibilità di scelta.

Tavoli con gambe tornite stile barocco e piano superiore in nobilitato, tavolo desk con teca in vetro e cassettera, tutto in nobilitato lucido verniciato antigraffio, completano questa importante collezione di arredamento.

LINE EIGHT

This modular furnishing collection re-proposes the "wardrobe": of various sizes, all the wardrobes are made by glossy faced panels with non-scratch finishing (U.V. treated) and are equipped with racks. This system makes the accessories suitable for different uses.

As option, they can be supplied – with unchanged design – having panels for fixing on the wall; in this case a number of choices are available.

In such a particular furnishing line we can also have: tables with well-shaped legs in the "Barocco" style and faced tops, desk-tables with glass case and chests of drawers. All items are made by glossy faced panels with non-scratch finishing (U.V. treated).
