LINEA SETTE

LINEA SETTE

Linea d'arredo in stile eco-fashion.

Rovere tavolato e rovere seghettato sono le due finiture decorative selezionate accuratamente da abbinare ai lucidi bianco e nero.

Diversi elementi di arredo contengono un vaso in ferro in cui inserire una pianta.

Tavoli con gambe tornite e dalle forme sinuose spezzano la geometria regolare di armadi e pareti. Il banco cassa "Minotauro", metà tavolo e metà desk, completa questa originale linea d'arredo.

Linea adattabile a più esigenze espositive come fashion retail, bookshop, living, ecc.

LINE SEVEN

Eco-fashion style for this furnishing line.

To the glossy finishings black & white both the two decoration finishings "boarding oak" and "scratched oak" can be easily matched.

A metal vase for a plant is included in many furnishing elements.

The regular structure of wardrobes and walls is broken by tables of sinuous shapes and with well-shaped legs.

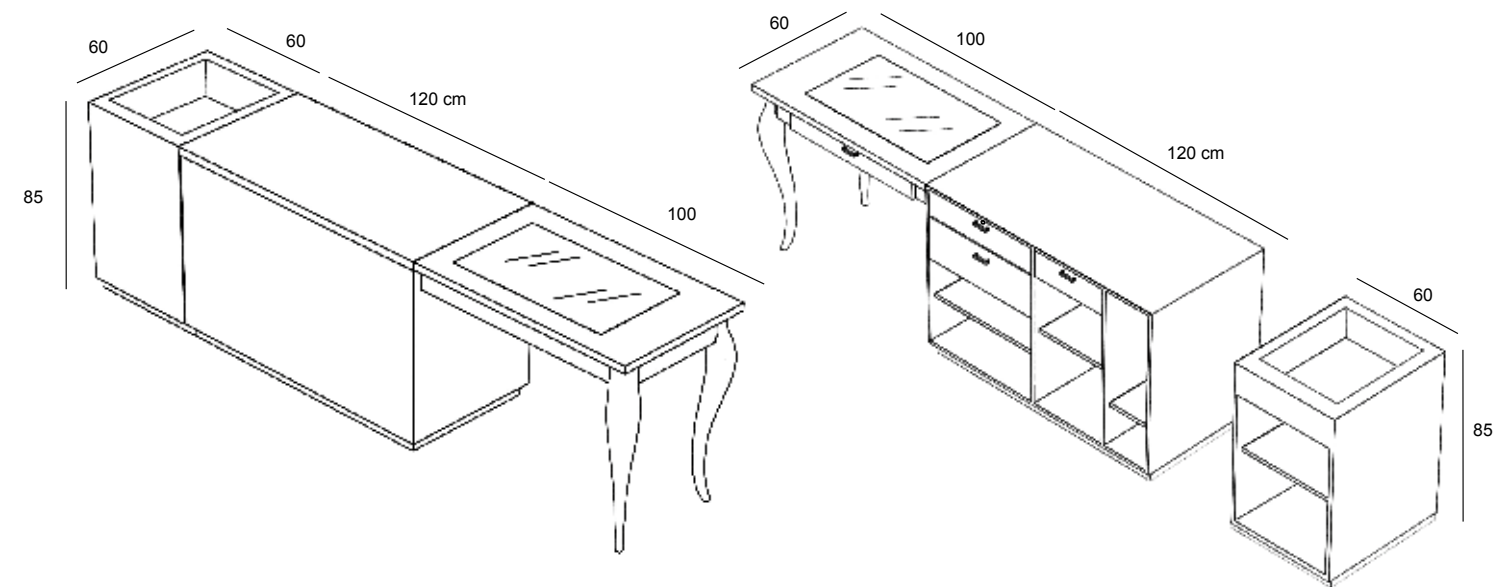

This particular line is completed by "Minotauro" cash counter, a half table and a half desk.

This system is suitable for various showing solutions such as fashion retail, bookshop, living, etc.
